P280 and V60
Now you can use your Nextel phone number all around the world!

Imagine the convenience of one phone number that travels with you and keeps you connected outside the U.S. Imagine no more, because if you currently use one of Nextel's Motorola-made SIM-card-based phones*, you can remove that identity card and install it into your choice of a V60 or P280 - then make and receive calls with your Nextel phone number over the GSM networks in more than 60 countries around the world.

When you travel abroad with Nextel Worldwide Service and the V60 or P280 you'll enjoy many of the same Nextel features you rely on in the U.S., such as voice mail, text messaging and voice-activated dialing.

Once home, simply replace the SIM card into your regular Nextel phone to continue business as usual on the Nextel National Network.

*Needed: P280 and V60 phones do not work in the U.S. and are not sold with SIM cards. Visit nextel.com to learn more about SIM-card-based phones.
